

COMMERCIAL

COMMERCIAL DIVISION OVERVIEW

SRG's Commercial Services works with clients requiring employees in such areas as assembly, soldering, general production, electronics, quality inspection and control, machine operation, warehousing, shipping and receiving, and packaging.

SRG pays particular attention to safety at work, organizing training sessions for our associates and always raising awareness among our employees and our valued customers. Because of our specialized team of recruiters, we ensure that our clients can expect the best candidates in the industry.

Whether it is a short-term project, a contract to hire, or a permanent placement, SRG's Commercial Services division is built on quality and reputation.
