

CAPABILITIES STATEMENT

SRG currently supports our clients for COVID-19 Therapeutic, Vaccine Scale Up, manufacturing, logistics, supply chain and support.

COMPANY OVERVIEW

- SRG Government Services COVID-19 Support (SRG) is a leading provider of Scientific, Technical and Cyber Security professionals. You have the science for COVID-19 Therapies and Vaccines and we provide the people to support your mission. As your capture partner for government work and bids, we can assist you with your submission, highlighting our past performance in staff augmentation. We help you manage your project employee workflow with our CTMS system for candidate tracking and government reporting metrics.
- SRG recognizes that Cyber Security is critical to the protection of sensitive and proprietary information. We will assemble a team of professionals who will work under your company's guidance to enhance your IT Security Protocols.
- SRG is a Certified Small Business (NAICS Code: 541519, 541511, 541512, 561312, 561311)
- SRG is a Cleared Facility through the Department of Defense (Cage Code 6AFL9)
- SRG Government Services' Security Program, (in accordance with the NISPOM --DoD 5220.22-M), has a "Superior" rating through the Defense Security Service (DSS).
- SRG provides professional services to Federal contracts in CONUS and OCONUS.
- SRG provides personnel recruitment support, transition management, RFP proactive recruiting, surge recruitment, staff augmentation bid / RFP writing and security clearance processing.

DIVISION OVERVIEW

- SRG provides the flexibility and speed of a small business combined with the robust systems necessary for compliance and mission success.
- SRG maintains continuous contact with over 380,000 cleared and qualified candidates in its proprietary resource pool (database). Additionally, SRG's database contains hundreds of thousands of non-cleared scientific, engineering and IT professionals.
- SRG Government Services is a DoD and Federal Contractor specializing in Staff Augmentation and Surge Recruiting.
- SRG dedicates DoD recruiters to each client / contract enabling SRG to develop a comprehensive knowledge of candidates' skills, expertise, and strengths, as well as their backgrounds, professional goals, and personality traits.
- SRG has over a decade of specialized DoD experience (Est. July 2007).
